Item	Who	Time	Discussion/Notes
1. Welcome	Ron Holloway	4:00 - 4:10	
2. Review Charge	Ron Holloway	4:10- 4:30	<p><u>21st Century Learning Study Group</u></p> <ul style="list-style-type: none"> Investigate to further understand the 21st Century Fluency Project as defined by Ian Jukes and others Compare the 21st Century Fluencies to the Common Core State Standards for ELA and Math. Create a professional development plan that supports implementation of the 21st Century Fluencies by administration and instructional staff
3. Disseminate Materials and Explain Materials a. 21 st Century Fluencies b. Math Common Core Standards	Ron Holloway	4:30 –5:00	The group was divided by grade levels (K-4; 5-8; and 7-12). The groups reviewed the Math Common Core Standards and discussed any correlations to the 21 st Century Fluencies. There was a strong correlation for solution fluency at all grade levels. The correlation to information fluency became stronger with increasing grade level. At grades K-8, the 21 st Century Fluencies correlation to the standards could be met through instructional methodologies, but were not inherently correlated. The high school standards were correlated with all of the 21 st Century

			Fluencies. The detailed findings are included in the report to the Implementation team. We also discussed the professional development needed to implement the 21 st Century Fluencies and Common Core Standards.
4. Discuss presentation to the Implementation Team	Group	5:00 –5:45	The presentation for the IT was reviewed and suggestions for the final copy were discussed. The findings of the group will be sent to the group for review before being presented to the IT.
5. Set Future Meeting Dates	Group	5:45 – 6:00	The group completed the charge and will send their findings to the IT. No future dates have been scheduled.
