Item	Who	Time	Discussion/Notes
1. Welcome	Ron Holloway	4:00 - 4:10	
2. Review Charge	Ron Holloway	4:10- 4:30	<ol style="list-style-type: none"> 1. Investigate to further understand the 21st Century Fluency Project as defined by Ian Jukes and others 2. Compare the 21st Century Fluencies to the Common Core State Standards for ELA and Math. 3. Create a professional development plan that supports implementation of the 21st Century Fluencies by administration and instructional staff
3. Disseminate Materials and Explain Materials a. 21 st Century Fluencies b. ELA Common Core Standards	Ron Holloway	4:30 –5:00	Reviewed both sets of materials and provided a brief overview of the work related to 21 st Century Fluencies to date. We also discussed the development of the Common Core Standards and implementation dates.
4. Develop Plan of Attack and Assign Responsibilities	Group	5:00 –5:45	The team was divided up by grade levels. We examined the Common Core Standards to determine if they could be

			<p>correlated to the 21st Century Fluencies. Each group reported strong evidence that there is a connection between the Common Core Standards and the 21st Century Fluencies. The number of connections seemed to increase with increasing grade level. The group will examine the math Common Core Standards using the same methodology at the next meeting.</p>
5. Set Future Meeting Dates	Group	5:45 – 6:00	<p>Ron will send out proposed dates for a November meeting. The group would like to meet prior to the IT meeting in November so a brief presentation could be given to the IT.</p>
