BUILDING DOORS WILL BE LOCKED

As part of the District-wide security system and our emphasis on safety, the building doors will be locked during the day. Both of the main lobby entrance doors have a white box. Please push the button, wait for a response and you will be buzzed into the building. We may ask you to look toward the camera or identify yourself by speaking into the white box. Once you enter the building, please report directly to the office to sign in and pick up a visitor's badge.

Visitors to the Schools – to maintain a safe place for our children to work and learn, certain limits must be set for visits by parents and other agencies. For these reasons, the following rules apply to ALL visitors to the school:

Access to the elementary building will be through the main entrance ONLY. This entrance will be open for students and visitors from 8:00 - 2:25 PM.

ALL VISITORS ARE REQUIRED TO SIGN IN AT THE MAIN OFFICE IMMEDIATELY UPON ENTERING THE BUILDING TO RECEIVE A VISITOR'S PASS WHICH MUST BE WORN AT ALL TIMES WHILE IN THE SCHOOL OR ON THE SCHOOL GROUNDS.

Also, as parents arrive in the morning with children, please remain in the lobby area, children must learn to proceed to the room on their own.

Teachers are expected NOT to take class time to discuss individual matters with visitors.

Visitors attending school functions that are open to the public such as parent teacher organization (PTO) meetings or public gatherings are not required to register.

Any consumables (food, beverages, etc.) brought in by visitors are subject to search and / or inspection.

Please note these district rules are approved by the Horseheads Board of Education. These safety procedures need your support. If you have any questions regarding these procedures, please call the office. Thank you in advance for your help and support with keeping safety a priority.

GUIDELINES FOR CLASSROOM PARTIES / CELEBRATIONS

If bringing food to your child's class such as drinks, cakes or pastries, the following guidelines should be used:

- Please notify the teacher and get their permission first.
- Immediately after cooking, if possible, items should be wrapped individually (i.e. cookies, muffins, cup cakes, etc.).
- The Chemung County Health department makes these additional requests:
COLD FOODS SHOULD BE REFRIGERATED IMMEDIATELY AND HELD BELOW 45 DEGREES FAHRENHEIT.
HANDS SHOULD BE WASHED BEFORE FOOD PREP AND FOOD SHOULD NOT BE TOUCHED AFTER IT IS COOKED.
GLOVES, TONGS OR DELI PAPER SHOULD BE USED SO THERE IS NO BAREHANDED CONTACT WITH FOOD AFTER PREPARATION. Following the above practices will help to protect your children against food-borne illness.

MEDICATION IN SCHOOL - If a student needs any form of medication at school, a written physician's prescription and written parental consent are necessary. Any medication should be brought in the original container to the health office where it will be stored and dispensed. Please contact Mrs. Reazor with further questions.

Dear Parent (s) / Caregiver (s),
March was an incredible month, as we participated in many family fun activities provided by the PTO and the Student Council along with the support of our Center Street Staff. The Project Fair was another successful event as the students showcased all their research and displayed it in many creative forms.

We are so proud of our students and staff as they raised \$100.00 for Pennies to Prevent Polio. Our Horsehead Rotary Club matches every dollar we raise for a total of \$200.00 in this great world outreach. Our students and staff have big hearts and they care about other children across the world. They truly are amazing citizens!

Sincerely,

Patti Sotero, Principal

CENTER STREET SPRING CARNIVAL

A special thank you to our wonderful PTO for putting on one FANTASTIC spring carnival! We had a ball playing games, eating yummy, fun treats and winning prizes. Mrs. Sotero would like to thank Ms. Bryant and Finley for coming out and sharing a great exciting story with our students. Each student listened to the story, ate a Scooby Snack, did an activity and earned a free book. It was so wonderful to receive this amazing grant this year. Ms. Michelucci and team did an awesome job doing all the body glitter art—our students really sparkled. Thank you to Mrs. Ham for working the cake wheel and putting all the delicious cupcakes together. Mrs. Cicora, Mrs. Shutts and Mrs. Johns did a super job helping out in the kitchen serving up some delicious food. Thank you to Mrs. Holmes for working one of our great games. Thank you to our staff for sending in your teenagers to also help out—Mrs. Packard and Mrs. Tenbus. Thank you to Mrs. Alexander, Mrs. Scibek, Mrs. Butler, Mrs. Aldrich and Mrs. Dutridge with set up and preparations. It takes so many of us to make a special event like this happen.

CS GOOD APPLES

The Good Apple Award is a tool to promote pride, self-esteem and positive character development. All faculty and staff nominate students exhibiting good character. At the end of each month, the principal will announce the recipients names, and will present the students with their award during their scheduled lunch time. A bulletin board is in the Main Lobby to display each month's recipients. The following students earned a good apple award for showing exceptional character during this month.
