

September 17, 2018

Dear Students and Community:

I am writing this letter to address the September 11th school day. The High School administrative team erred by not formally recognizing the victims of September 11, 2001. I would like to thank all of the students for sharing their feelings so passionately. Please know that your concerns and your disappointment have been heard. We will work together to make sure we memorialize this important and tragic day in our country's history next year. I ask that you share your thoughts directly with me so that we can work together to make our school community stronger.

Again, thank you for your patriotism and concern for our country and school.

Sincerely,

Karen L. Donahue
Principal
