

5th Grade GENERAL Supply List

Welcome to fifth grade! We are all very excited to start another year full of valuable learning. The teachers at the Intermediate School understand that it is important to get a jump on school supplies for the following school year. Some stores run sales early in the summer so we would like to give you a chance to take advantage of them. Therefore, we have collectively compiled a list of supplies that all fifth grade students will need to have. This list will give you an opportunity to get started as soon as you'd like. However, there will be a more specific team supply list that will be sent home in August once class lists are finalized. The team list will have additional items that are specific to the needs of the students and the learning activities facilitated by the teachers. Have a great summer!
