

Athletic Signings

We are proud to honor student-athletes who've been accepted to college for athletics and academics with a district-wide signing ceremony each sports season. Here is our process:

- Official College Signings for student athletes need to be first communicated/confirmed with our counseling office NCAA coordinator, April Cook. A college signing form must be filled out and turned into Mrs. Cook before the initial NCAA signing dates:

[NLI Signing Dates for Prospective Student-Athletes](#)

If an athlete chooses to wait and misses the signing day within the season, he/she will be able to do the signing during the next season.

- Once the Athletic Office has confirmation of the student-athlete's NCAA offer and intention to sign a National Letter of Intent, parents and/or guardians will be notified of the date of the district ceremony.
- When a date for the signing ceremony is established, the Athletic Office will inform Susan Pirozzolo, our district community information specialist, who will then inform the media of the signing date.

Questions? Please contact the Athletic Office at (607) 739-5601, x4254 or bconklin@horseheadsdistrict.com.
