Student Field Trip to Trades Day in Big Flats

A group of 8th grade students attended “Trades Day” at Big Flats Community Center on April 10, to try their hand at manual labor careers, including heavy machinery operation and welding.

Murphy Johns tests his backhoe skills to pick up the basketball and put it in the can.

Cooper Witt tries his luck with the joysticks in this heavy machine.

Dhruv Shrisudersan, above, and Amelia Warrick, right, try their hand at spot welding under the watchful eye of a professional tradesman.

Horseheads Middle School PTO's

Alternative Fundraiser

As parents of Middle Schoolers, we are all familiar with the joys of fundraisers - selling door-to-door, hounding the same family and friends year after year, collecting (and keeping track of) money, and delivering the goodies weeks later. The HMS PTO Alternative Fundraiser eliminates all of the headache but still lets you support all of the things we do for our students and faculty!

Thank you in advance for your participation!

- I really live for PTO and want to help. Add my name to the volunteer list.
 - \$10 - I do not want to bake, so here is the money I would have spent on those cupcakes.
 - \$15 - I do not want to walk, swim or run in any activity that has the word "thon" in it. Here is the money I would have spent on my child's "free" t-shirt.
 - \$25 - I do not want to hit up friends, family and co-workers, so here is the money I would have spent buying coupon books.
 - \$50 - I really wouldn't have helped anyway, so here's \$50 to forget my name☺
- \$___ I am making this donation to express my appreciation for having nothing to buy (and eat!), sell or do, except fill out this envelope.

aimsweb Plus is a reliable computer-based screening assessment, which is administered in the fall, winter and spring. This year on **May 28th and 29th**, students will be taking the **spring** *aimsweb* Plus benchmark assessments in reading and math. *aimsweb* Plus allows us to monitor our students in reading and math and provides us with valuable information we can use to make educational decisions for our students. Results will be shared with parents and students three times per year. Our goal is for each student to demonstrate academic growth from fall to winter and winter to spring. No special preparation for the *aimsweb* Plus testing is required.

If you would like additional information regarding the *aimsweb* Plus assessments, please visit the *aimsweb* Plus website at <http://www.aimswebplus.com/> or call us at 739-6357.

Career Development Council

The school district has many career related events including career days, career panels, job shadows, classroom speakers, field trips, and mock interviews. **We are always looking for volunteers** for these events. We are looking for parents, grandparents, other adult family members and friends as well as community volunteers in every career field.

If you feel your career is not of interest or you are currently at home, you may still contribute through mock interviews and other fun classroom events. We will be doing many of these events on-line, but they are still important experiences for the career development of our students. Most events are only an hour or two on a given day, yet **your experience and career knowledge** can deeply influence a child's life, career goals, and future educational path.

If you are interested in volunteering or learning more about how you can get involved, **please contact Deb Lynch**, the Career Development Representative for the Horseheads School District, or **Jennie Sonsire** at (607)795-5320 or dlynch@gstbooces.org or jsonsire@gstbooces.org.
