Family Literacy Night 4/17 6PM: Stephanie Andrus has helped organize a fun night for our families. We will have storyteller, Perry Ground, from Haudenosaunee tribe come for the event. He will also present to the 4th grade students during the day. The cost is \$300. We will also have: snacks and drinks, a banner, crafts and every family will leave with a book. Title one money will cover the crafts and books. The story telling will be in the gym and the craft and snacks will be in the café. The craft will be

animal puppets and cornhusk dolls. Ryan, Pauline, and Matt will help set up at 5PM. We are looking for a few more volunteers to help set up.

Special Request: Mrs. Bifano is requesting additional funds to purchase water and snacks for children that need them. We voted to give her \$150 to Sams.

Carnival:

Raffle and Sponsors: We would like to ask sponsors to donate to the carnival and not something specific. That way we can use the money for whatever is needed. Sam and Sarah will work on a letter to send out to sponsors. We would like to do a couple mega prizes and some baskets.

Food: Texas Roadhouse and The Last Stand: Miranda will reach out to organize the food vendors. Emily volunteered to do snow cones.

Inflatables: Miranda will reach out to cloud 9 to book.

Prices: \$10 for wristband which includes games and inflatables. Dunk tank: \$1/1 or \$5/6. Cake wheel \$1/3. We talked about maybe lowering the cost of the wristband or including something with it (popcorn and drink?)
