CS Students and Staff Say Thank You  
to Those Who Protect Our Freedoms

On Thursday, Nov. 7th, the CS students and staff took time to honor over 50 Veterans who walked our hallways. It was an honor to thank them for everything that is done to secure our freedoms.

## BUILDING DOORS WILL BE LOCKED

As part of the District-wide security system and our emphasis on safety, the building doors will be locked during the day. Both of the main lobby entrance doors have a white box. Please push the button, wait for a response and you will be buzzed into the building. We may ask you to look toward the camera or identify yourself by speaking into the white box. Once you enter the building, please report directly to the office to sign in and pick up a visitor's badge.

**Visitors to the Schools** – to maintain a safe place for our children to work and learn, certain limits must be set for visits by parents and other agencies. For these reasons, the following rules apply to ALL visitors to the school.

Access to the elementary building will be through the **main entrance ONLY**. This entrance will be open for students and visitors from 8:00 - 2:25 PM.

**ALL VISITORS ARE REQUIRED TO SIGN IN AT THE MAIN OFFICE IMMEDIATELY UPON ENTERING THE BUILDING TO RECEIVE A VISITOR'S PASS WHICH MUST BE WORN AT ALL TIMES WHILE IN THE SCHOOL OR ON THE SCHOOL GROUNDS.**

## Substitute Teachers, Teaching Assistants and Substitute RNs and LPNs are needed for per diem work during the school year.

**Teaching substitutes** must meet the following criteria: 1) An Associates' Degree or higher; OR 2) completion of at least 2 years of College; OR 3) Graduated from High School for at least 4 years and completed at least 12 college credits; OR 4) an Honorable Discharge from the military.

**Substitute RNs and LPNs** should bring in evidence of their licensure.

## GUIDELINES FOR CLASSROOM PARTIES / CELEBRATIONS

If bringing food to your child's class such as drinks, cakes or pastries, the following guide lines should be used:

- Please notify the teacher and get their permission first.
- Immediately after cooking, if possible, items should be wrapped individually (i.e. cookies, muffins, cupcakes, etc.).
- The Chemung County Health department makes these additional requests:

COLD FOODS SHOULD BE REFRIGERATED IMMEDIATELY AND HELD BELOW 45 DEGREES FAHRENHEIT.

HANDS SHOULD BE WASHED BEFORE FOOD PREP AND THEN YOU SHOULD NOT TOUCH FOODS AFTER THEY ARE COOKED.

GLOVES, TONGS OR DELI PAPER SHOULD BE USED SO THERE IS NO BAREHANDED CONTACT WITH FOOD AFTER PREPARATION.

Following the above practices will help to protect your children against food-borne illness.

**MEDICATION IN SCHOOL** - If a student needs any form of medication at school, a written physician's prescription and written parental consent are necessary. Any medication should be brought in the original container to the health office where it will be stored and dispensed. Please contact Mrs. Cobb with further questions.

**Safe Schools Line - To report a concern, rumor, or other safety issue - call 795-2044 or 1-800-305-4984.**

On Thursday, Nov. 7, the students and staff lined the Center Street hallways, proudly waving over 400 American flags honoring our Veterans. Even more special was the fact that most of the soldiers were a family member or friend of the Center Street community. The hallway echoed the beautiful music –

*I am Proud to be an American* and *America the Beautiful*. Tears were in many individuals' eyes, acknowledging the great freedoms that we enjoy because of the incredible sacrifices of our men and women in uniform.

The students are learning we can make a difference in the lives of others by showing our respect and appreciation. So, we begin right here in our home town - and while the students demonstrate their appreciation, they begin to understand their place in the world around them. Lady Bird Johnson, former First Lady of the U.S. once said, "*Children are apt to live up to what you believe of them.*" At Center Street, we believe our children can change our world!

The faculty, staff, and students of Center Street wish each of you a very joyous and safe holiday season!

BEING COMPASSIONATE AND HELPING OTHERS!

## Character Corner

Each day during our announcements we discuss positive changes in our school.  
It is called be caught being a "PERSON of CHARACTER".

Suggested questions to help your child discuss what is impacting our school:  
What does being a person of character mean? Did you get your name announced during the morning announcements? Who did get announced? What was the reason they got announced? How do you get caught being a "Person of Character"?

## **IMPORTANT CENTER STREET HOMEWORK PROCEDURES**

Center Street Elementary believes homework extends learning, can be a review of skills, and may include written and/or non-written work. The homework assigned for grades 1- 4 should take no more than 10 minutes per grade level. For example; first grade should be 10 minutes, second grade should be 20 minutes, etc. Each night parents/guardians should check for homework completion. Individual grade levels, as well as individual teachers, have further specifications to this policy.

If you wish to have homework for a child due to illness or a family emergency, please call the school by 9:00am, and we will arrange to have the work left in the office for you or a designated family member to pick up at dismissal time.

***If your child consistently struggles with homework, please contact your child's teacher.***

### **Vacation Homework**

Please note that at Center Street Elementary we will **NOT** provide homework to students who will miss school for vacations, etc., **prior** to the student's absences. Students will be expected to complete daily reading and a writing journal during these situations.

It is very possible that students may also be expected to complete any pertinent work deemed necessary by the student's classroom teacher once the student returns.

**Our district transportation department needs school bus drivers!!! We will provide training. Please contact us at 795.2580 or Human Resources 739-5601.**

### ***Notes from the Center St. Nurse's Office:***

When your child has an infectious disease, please notify the school nurse so that we can be aware of your child's health and protect the health of all children and staff in school.

\* Diseases or conditions the nurse should know about include chicken pox, strep throat, head lice, flu, diarrhea, whooping cough, hepatitis, mononucleosis, scabies, tuberculosis, or any other infectious disease.

\* Children who have flu-like symptoms at school should be sent home and stay home until at least 24 hours after they no longer have a fever or signs of a fever without the use of fever-reducing medicine. This also includes any vomiting or diarrhea.

Medication (pain relievers, cough drops, eye drops) are not allowed in school unless ordered by a doctor. If your child needs these while at school, a doctor's note must be filled out, a parent permission slip and the medication must be delivered by an adult. (NOT in the child's backpack)

**\*\*\* The Health office is in desperate need of small pants sizes 5-8. Please remember that if you child borrows clothes from the nurse, that they are returned in a timely manner.**

Cold weather is upon us and Center Street is in need of warm winter clothing. If you have winter coats, snow pants, boots, and warm clothing that your children have outgrown, we can surely find a good use for them. Please send clean clothes in good condition to the Nurses office at Center Street School.

Also... Please return any clothing we sent home with your child.

We are running out of our stockpile of pants and sweatpants that we need on hand for students who spill something and need to change - all sizes are needed.

Thank you for your support, let's all stay warm this winter!

## CS NEWSPAPER CLUB

Did you know we have a group of students who meet each Monday to make the first ever CS Newspaper by kids for kids? The students came up with the name - **“Center Street Times”**. They designed and selected all the topics to cover each month. You can find these students interviewing staff members and other students to find out some new interesting pieces of information. Each student wears a specially designed CS Newspaper ID badge. The collect students’ writing and are very proud of the newspaper they put together each month. Even our paper for the newspaper has been donated. Thank you to Mrs. Behnke for leading this dynamic team of young reporters and writers!

# COMMON CORE PARENT UPDATES

## Common Core in Action

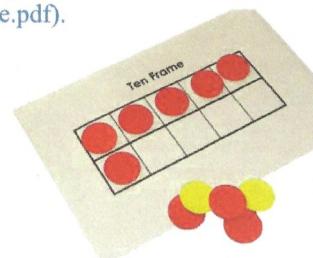

### Why Ten Frames (PK-3) and Arrays/Area Models (1-5)?

#### TEN FRAMES:

“Understanding that numbers are composed of tens and ones is an important foundational concept, setting the stage for work with larger numbers. A strong sense of “ten” is a prerequisite for place-value understanding and mental calculations. But how do you develop this idea? Ten-frames. The two-by-five rectangular frames are for placing counters to illustrate the numbers 1 through 10. Arranging counters in different ways on the ten-frame prompts students to form mental images of the numbers represented... The ten-frame uses the concept of benchmark numbers (5 and 10) and helps students develop visual images for each number... Once students are able to visualize the numbers 1 through 10, they begin to develop mental strategies for manipulating those numbers, all within the context of the numbers' relationship to ten.”  
(<http://www.region10ct.org/math/region10mathsitefaq/What%20is%20a%20Ten%20Frame.pdf>).

These frames can be used to explore mathematical ideas such as:

- numbers to 10
- addition and subtraction concepts
- number sense and place value
- odd and even numbers.

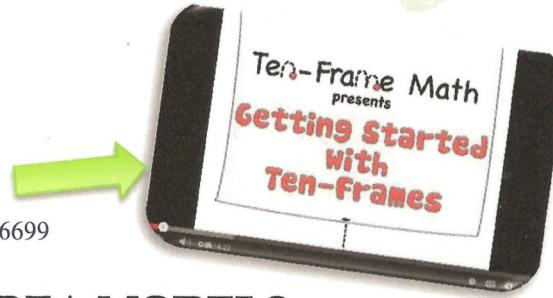

Ten frames develop students' ability to:

- visualize and manipulate numbers to 10
- support students' understanding of numbers to 10.
- develop a deep understanding of number sense

#### ARRAYS to AREA MODELS:

“An array is an arrangement of a set of objects organized into equal groups in rows and columns. Arrays help make counting easy. Counting by equal groups is more efficient than counting objects one by one. The ten-frame is an array used in Kindergarten. Students count objects in arrays in Kindergarten and Pre-Kindergarten. (PK.CC.4) The rectangular array is used to teach multiplication and leads to understanding area. (3.OA.3) Arrays reinforce the meaning of multiplication as repeated addition (e.g.,  $3 \times 4 = 4 + 4 + 4$ ), and the two meanings of division—that  $12 \div 3$  can indicate how many will be in each group if I make 3 equal groups and that it can also indicate how many groups I can make if I put 3 in each group. Further using arrays reinforces the relationship between multiplication and division.” ([http://www.engageny.org/sites/default/files/resource/attachments/how\\_to\\_implement\\_a\\_story\\_of\\_units.pdf](http://www.engageny.org/sites/default/files/resource/attachments/how_to_implement_a_story_of_units.pdf))

Use number towers to depict multiplication problems in the shape of an array.
