Camp Philosophy

The Horseheads Varsity “H” Summer Baseball Camp will offer up to date training and skills for all young baseball players. Our intent is to help everyone learn fundamentals that will allow them to improve as a Baseball Player. We have great facilities, equipment, and the latest techniques to help aid in the instruction of this summer camp.

The purpose of this camp is to give each player the opportunity to train and learn under the supervision and instruction of experienced coaches, as well as many high school/college baseball players. It is our goal to see that everyone at this camp will develop skills and techniques that will enable him to reach his potential as a baseball player.
