Camp Philosophy:

This camp is designed to teach and reinforce the basic fundamentals of basketball. It will also introduce some of the more advanced techniques of the game. Each camper should leave this camp with a better understanding of the game of basketball, and take with them skills and drills that will help them improve their overall game. At the end of this camp, each player should have the necessary information and concepts to help make him the complete basketball player. This camp will also have various games, competitions, and contests to make learning basketball a fun experience. This summer camp will emphasize proper skill development, technique, and fundamentals, along with many other important training procedures to ensure an excellence in the sport of basketball.
