

Horseheads Central School District Connecting District Laptop to your WiFi Prior to Logging In

If your student has not logged into your borrowed district laptop, you will want to connect it to your household WiFi prior to logging in.

- 1) Turn on your device
- 2) On the Log In Screen, look for the Network Icon, looks like a little globe.
- 3) Click on the little globe. It will reveal the different Wifi networks available in your household.
- 4) Select your household Wifi that you would like to connect to.
- 5) Once the connection is established your student will be able to use their credentials to log in.
- 6) Username: Lastname-Firstname
And network PW.

Note: If you need assistance, please call your school's main office.
