

Welcome to the Barnyard
Room 100!
Yes, we have moved again ☺

Dear Parents and Students,

I am eager to welcome you in the fall of a new school year! I hope you have had a wonderful summer vacation. ☺ The new school year holds the promise of new discovery and learning, as well as the prospect of personal growth in all areas. I look forward to getting to know your child and each of you as well.

At this time, I would like to take the opportunity to allow you to get to know me! This is my nineteenth year of teaching in the Horseheads School District, and my tenth year teaching at Big Flats Elementary as the Kindergarten-First-Second Grade Special Education teacher. I have had the opportunity to work with children in K-8th grade. I graduated from Mansfield University with a Bachelor of Arts degree in elementary education and received my Master's degree in special education.

If you need to contact me at any time during the year, I have listed my information below. I welcome all comments, questions, and concerns. I try to check my e-mail and voice messages frequently throughout the day. Seesaw is usually the best way to communicate with me (we will get you all set at Open House if you have any issues logging in). I look forward to an exciting year with both my new and returning students.

Sincerely yours,

Mrs. Tracy McUmbur
