Keep reading and practicing your math facts.

Ms. Henry and Mrs. McInnis

Horseheads Intermediate School

Welcome, **fifth graders**, come on in,
Your **Intermediate School** year will now begin.
A brand-new chapter, a fresh new start,
With **Team Trendsetters**, you'll do your part.

You'll read and write and learn each day,
As **Ms. Henry** guides you on your way.
Through ELA and social studies too,
She'll help bring new ideas to you.

With math to solve and science to explore,
Mrs. McInnis will open every door.
To questions, discoveries, and lessons anew,
There's so much this year for you to do.

And helping hands are always near,
With support and kindness throughout the year.
Ms. Cavanagh-Wheeler and **Mrs. Howe**,
Are here to help you then and now.

On **Team Trendsetters** we aim up high,
To work, to learn, to question why.
To lead with kindness, to always try,
And watch your confidence multiply.

So, take a breath, be brave, be true,
There's so much here waiting for you.
Dream big, work hard, let your light shine through—
Trendsetters... the future starts with **YOU!**
