

## *Horseheads Central School District*

### **Connecting a district laptop to your WiFi prior to logging in**

If your student has not logged into your borrowed district laptop, you will want to connect it to your household WiFi prior to logging in.

- 1) Turn on your device
- 2) On the Log In Screen, look for the Network Icon, will look like a little globe.
- 3) Click on the little globe. It will reveal the different Wifi networks available in your household.
- 4) Select your household Wifi that you would like to connect to.
- 5) Once the connection is established your student will be able to use their credentials to log in.
- 6) Username: Lastname-Firstname  
Password: Student ID# (or created password.)
